

6.10.Oulu E, Astrid Indrebo

Eijatuun Riimi 15226/07 PEK 1. KP ROP-pentu BIS-pentu 2

8 months, a very promising puppy, nice expression and dark eyes, normal angulation, a very good mover for her age, correct tail carriage, well presented.

Alpenhirts Tomtom 39346/06 JUN ERI1 PU3 VASERT

14 months, excellent type, nice headpiece, dark eyes with excellent expression, strong neck and topline, normal angulations, a sound mover, nice temperament, well presented.

Eijatuun Nekkar 53960/05 NUO ERI1 PU1 SERT VSP

1,5 years, excellent type, nice head and expression, correct earset, strong neck and topline, good body for his age, normal angulated, a good mover from all sides, very well presented.

Alppikellon Amador 41756/04 VAL ERI1 PU2

3 years, excellent type, strong masculine head, nice expression, excellent neck and body, well angulated, very well muscle mass, a strong mover.

Eijatuun Norma 53966/05 NUO ERI1 PN3 SERT

Nearly 2 years, excellent type, very nice head and expression, strong neck and topline, typical and healthily angulated, a bit long in the loin, typical mover with correct tail carriage, well presented.

Alppikellon Adalmiina 41753/04 VAL ERI2 PN2

3 years, excellent type, very nice head, good neck, a bit too heavy in body, which makes the topline a bit soft when moving, normal angulation, moves with good length of steps.

Alppikellon Arietta 41752/04 Val ERI1 PN1 ROP BIS-2

3 years, excellent type, nice head proportions, eyes could be bit darker, well angulated and muscled, a healthy mover.

Eijatuun Opera Bruno 24548/05 VAL ERI3 PU4

2,5 years, excellent type, correct head, strong neck, a bit weak in the pasterns, needs more rear angulations, typical mover, excellent temperament.
